Subject No. 159.
(a) Extension of Kudlur Nala.

Summary of discussion.—(*a*) By extending the Kudlur Nala, waste and occupied dry lands will be brought under wet cultivation. The work should be taken on hand.

(b) Repairs to Belur Temple.

(*b*) The Temple at Belur should be repaired by the Public Works Department as it is a structure of architectural importance, the Muzrai Funds being inadequate to meet this charge.

Reply of Government.—D. P. W. for disposal.

Subject No. 160.
Removal of Annachattram from Grama to Hirisave.

Summary of discussion.—It is requested that the Annachattram at Grama may be removed to Hirisave, which is between Neligere and Channarayapatna. There is at present no necessity for such chattram at Grama as the Deputy Amildar's cutcherry has been removed from that place.

Reply of Government.—The Muzrai Department will consider the proposal.

Subject No. 161.
A branch railway from French Rocks to Tiptur.

Summary of discussion.—The opening of a branch Railway line from French Rocks to Tiptur *viâ* Melkote, Sravanabelagola and Kempinkote is recommended.

Reply of Government.—Can be considered only when the mines prove remunerative.

Subject No. 162.
Retransfer of certain villages.

Summary of discussion.—The villages of Gangermalle and Mallenahalli should be retransferred to the Tiptur Taluk from the Channarayapatna Taluk as they are twenty miles from Channarayapatna and ten miles from Tiptur.

Reply of Government.—It is the Shanbhog that asks for this and not the people. No change is therefore required.

Subject No. 163.
Repairs to Mathighatta tank.

Summary of discussion.—Both the sluices of the Mathighatta tank at Hirisave are out of order. The bund is in need of repair and the waste weir is low and breached.

Reply of Government.—The Deputy Commissioner for disposal.

Subject No. 164.
Bridge across the Hemavati, Hole-Narsipur.

Summary of discussion.—The construction of a bridge across the Hemavati at Holé-Narsipur may be taken on hand this year.

Reply of Government.—D. P. W. for needful action.

Subject No. 165.
Construction of certain Musafirkhanas &c.

Summary of discussion.—Orders are solicited for the early construction of—

(1) A Musafirkhana on the bank of the Hemavati on Holé-Narsipur–Channarayapatna road.

(2) A Musafirkhana and a Well at Yedegondanahalli on the Holé-Narsipur-Mysore road.

(3) A Musafirkhana and a Well at Mavinkere.

Reply of Government.—To the Deputy Commissioner for the Local Fund Board's disposal.

Subject No. 166.
Uttaradi Matt at Hole-Narsipur.

Summary of discussion.—Orders should be issued to feed in the Uttaradi Matt at Holé-Narsipur all Brahmin students of the Pátasala irrespective of their sect and all Brahmin travellers. The management of the Matt should be taken over by Government as no Swami has resided in the Matt for nearly thirty years.

Reply of Government—The Muzrai Department for dis-
